Dear

Greetings in the blessed Name of Jesus!

It has been a year since we last wrote to update you on the ministry of The Library, during which we have made progress in some areas, and are still very much work-in-progress in others. Your continued prayer for our Lord's guidance and provision upon The Library is much appreciated, especially for the following:

Office Premise

The Complex where our office is currently sited, has been sold *en bloc*, and so we will have to move out of our office latest by the middle of this year. No suitable alternative have as yet been found, largely due to the challenge of matching the rental of a premise with our low income. Your prayers here, along with any help in finding an alternative office space would be greatly appreciated.

Message and Teaching Materials

Due to our above-mentioned need to relocate our office, we have moved our books and teaching material to a store at IMM, Jurong. While we are still in the process of sorting out our digital material (CDs, etc.) – the work-in-progress mentioned; the books are largely sorted and available for viewing and loan. To do so, kindly contact us through the phone (97764975) or e-mail (contact@chrislib.org) to arrange a time for your visit.

Collecting and Donating Books

Over this past year, we continue to collect books from various sources, keep some for loan and donate suitable material to relevant parties. Apart from Saint Paul's Bible College in Indonesia, and the Nepali pastors we mentioned in our last update; we have collected and am awaiting the shipping of books to Holy Cross Theological Seminary in Myanmar, and have begun collecting books for the Kidurong Anglican Centre in Bintulu, Sarawak.

We are glad to be of some blessing to these various organisations, and would appreciate that if you have books to donate to please do bear us in mind and contact us. Please do let us know too of any individual or organisation we might be able to help and bless.

Donations and Funds

We are glad that we were able last year to bless a ministry to orphans and widows in Israel with donations made by one individual. A great blessing to that ministry.
